

The Overview of the Association's Responsibilities

- Improvements of living environment (filling requests to the city, etc.)
- Disaster prevention drills
- Security patrols (accident prevention, watching over student, etc.)
- Cultural and social activities (matsuri, sports festivals, etc.)
- Community beautification (landscape planting, etc.)
- Installation of crime prevention lights
- Maintenance of bulletin boards, etc.

Testimonies from the Association Members

- The road in front of my house used to get flooded when it's raining. The association submitted a request to the city and fixed it for me. (T-san)
- After I retired, one of the association members invited me to play golf. I now spend a lot of my free time hanging out with other members. (Y-san)
- I was given some vegetables from a community member who owns a vegetable garden. (H-san)
- I was happy that they showed a picture of me performing at a local matsuri when I was a kid at my wedding. (E-san)
- The spirit of mutual help has been reinforced among my neighbors. (S-san)

The Association Activities Q&A

Q ; What's the benefit of joining the association?

A ; In the event of a disaster or other emergency, we can help each other by building "face-to-face" relationships.

Q ; What are the membership fees used for?

A ; They are used for disaster prevention drills, community fellowship activities, and community beautification.

Q ; What if cannot accept an offer to become a board member of the association?

A ; We understand there are many things to consider, such as childcare, age, etc. but please consult with the association first!

Q ; How do I join the association?

A ; Please fill out the application form from "Tananavi" , or consult with the Association directly.

To join the association, please go to our homepage "**Tananavi**" and fill out the required forms. If you have any questions, please consult with officers from Tana Community Development Center.

Office : Tana Community Development Center
